THE DeLUXE INK-VUE
(Available with nib actions described on center spread)

The DeLuxe INK-VUE is the largest and finest of Waterman's new visible ink pens. As in all pens of this type the ink supply is visible at all times and thus tells you when to refill. Trouble-making springs, pistons and packing usually found in a visible ink pen are absent in an INK-VUE pen! The patented "Double Action Lever" assures simple and positive filling—and locks down without ejecting ink. This feature and the simplified design—allowing a bigger reservoir—permit INK-VUE pens, size for size, to carry more ink than any other visible ink pen.

Waterman's Ideal Inks

Waterman's Ideal Inks are absolutely the best for your fountain pen and for general use. They are skillfully made from the very finest of raw materials—and are uniform in colors and free from clogging sediment.

Waterman's Blue Black and Jet Black Inks are permanent, non-fading record inks. Unequalled for use on bank checks, office records or wherever it is essential that the writing be preserved in a permanently legible state.

Waterman's Blue Ink writes a bright blue. Because it is so easily washed from hands or fabrics with ordinary soap and water it is the ideal ink for school use.

Waterman's Green, Violet and Red Inks are made in beautiful colors for many useful purposes in offices, schools and home.

THE WELL TOP BOTTLE

You'll be intrigued by the convenience of this most unique fountain pen bottle. No matter how little ink remains in the bottle, it can be instantly transferred to the "well" at the top. And unlike other containers of this character, the "well" occupies the entire inside of the bottle's extra wide and deep neck.

Just turn the bottle upside down. Ink completely fills neck. Then flip bottle back to its base. Ink has remained in well—within easy reach of a fountain pen. A secure but easy-to-open screw cap seals the container.

CORRESPONDENCE INKS

In six beautiful and unusual colors to match or harmonize with tinted personal correspondence papers — Aztec Brown, Tropic Green, South Sea Blue, Patriotic Purple, Spanish Tile and Jet Black. Delicately bottled — 15c each.

DE LUXE TIP-FILL

The sharp, iridescent facets of this 4 oz. container of Waterman's Blue Black Ink make it attractive enough for any office desk or home secretary. Tipped on side, it allows a pen to get all of the ink. Wide neck. Molded screw cap. Generous 4 oz — 25c.

COMMERCIAL SIZES WITH POUR-OUT

Business Offices, Schools and other large users of ink will find it decidedly economical to buy their Waterman's Ink in large containers equipped with our convenient, patented Pour-Out Device which allows small individual bottles to be quickly and cleanly filled as desired.

TIP-FILL BOTTLE

Above is shown Waterman's standard 2 oz. bottle—a good-looking and very convenient ink container. Its Tip-Fill feature is especially appreciated. When ink gets low, bottle may be tipped to new base (as shown above)—thus deepening the ink and allowing a fountain pen or dip pen to get the last drop. Extra wide neck. Sealed with secure screw cap.
